

## 2022 John Deere 2654G

**\$650,000.00 +GST**

2022 John Deere 2654G fitted with Waratah H219X harvesting head(with topsaw)

**SKU:**

- Debarking rollers
- H16 Automation system
- Approx. 2500 hrs, machine is still in use so hours could change
- Single bar track shoes
- Additional forestry guarding done by HER

Would consider selling the machine minus the Waratah attachment if needed
