## **460 Escape & Trailer**

The Scott Escape 460 is the ultimate workhorse for weekend (or weekday) warriors who love to work hard and play hard.

Ingrained with the same DNA as our OG Escape 445, the Scott Escape 460 is equipped with a larger platform that allows for a smoother ride, more leg room and more storage.

The popular, 420hp, 6.2L direct-injection engine gives this boat ample grunt to tame any rapid. Plus, its remarkable power to weight ratio means you can carry out big trips, with a lot of gear, in confidence.

New additions include carpet interior wall, cup holders, trailer brakes and new engine power bulge hood with sound proofing.

Featuring Premium concept graphics package, with clear guard
