

John Deere 770G

Great solid machine ready for work. Well balanced machine in tidy condition, plenty of hours left in this machine chasing a grade. Antler rack controls, 14ft Blade, Autoshift transmission, rear ripper assembly, fold out coolers, 9.0L Tier 3 engine (no adblue), tandem drive and front push block.

For more information, contact Lochin Smith on 027 204 7623.
