

John Deere 772CH

\$85,000.00 +GST

SKU:208934

Standing the test of time with the hours proving that they are made to last, still plenty of hours to give and up until recently was a front-line machine. In great presentable condition for 20 years old and was well looked after by the previous owner. This machine is still strong in the engine and transmission and sounds like a Deere diesel should.

Near new tyres all around, 14ft blade, rear rippers, front push block, 6 wheel drive.
