**\$210,000.00 +GST**

SKU:208993

If you have been looking for a machine that can pull more than the skin off a rice pudding, then look no further than this legendary John Deere 848L Skidder. Proven in market, built for performance and reliability in the toughest conditions and this machine is up for grabs, a great addition to any logging crew and in good condition for the hours with plenty of life left to pull those drags.

Fitted with the HD stacking blade up front and the 19sqft (3.0m) grapple at the business end. Climb up into the cab and immerse yourself in a fully enclosed cab with rotating heated seat and joystick control. No need to worry about all the AdBlue drama with the John Deere Tier 2 9.0L, fill her up with diesel and let her sing. We have just received this machine into stock and is about to get a few jobs carried out to be field ready for its next owner. Do not beat around the bush on this machine, it will not last long.
