

Kirpy BPB 200 Rock Crusher

One of the most advanced stone crushers available in the world today. Excellent for crushing wood, limestone, sandstone, schist, quartz, greywacke, basalt, and granite. Very cost-effective crushing, can turn stony unprofitable land into high quality pastoral land very quickly. Excellent Machine for roading and lane work, also great in forestry applications. Located in Ashburton.

Large diameter rotor recently refurbished, new large tungsten carbide hammers, new skids, heavy duty construction, 2m wide, hydraulically controlled breaker anvil, auto belt tensioning, hydraulic tailgate, 150-350 HP rating.
