

# WEEKENDER

FROM  
**\$24,990**

This is one of our most popular models and it's easy to see why. The camper is so light it can be towed by most small and medium-sized cars and set-up is a breeze.

The Weekender comes with light off-road capability, 4-leaf shackles suspension, 15" steel rims and a silent winch as standard.

Whether you want a reliable Aussie-made camper for regular weekends away or longer trips throughout the year, the Weekender has everything you need for that quick getaway.
